

TOWN OF BEDFORD
WATER & SEWER ADVISORY COMMITTEE MEETING
BCTV MEETING ROOM
10 MEETINGHOUSE ROAD
Thursday, May 14, 2026
8:30 A.M.
AGENDA

- 1. Roll Call**
- 2. Approval of minutes – February 12, 2026**
- 3. Flow metering update**
- 4. Greenfield Parkway sewer defect discussion.** *The Greenfield Parkway low-pressure sewer system has significant known deficiencies, including improper valve types, missing caps, deteriorated valves, missing thrust blocks, unusual piping, and possible leakage near valves. Staff recommends retaining a consultant to complete a full evaluation and develop recommendations for immediate temporary repairs and long-term reconstruction.*
- 5. Set next meeting date-August 13th or August 20th? Move so there is no conflict with the Poles and Wires.**
